Subject: Final Draft - Statement for U.S. Ecology THUMBS -UP?

"EPA was notified of the event on Saturday, monitored the situation overnight and sent an On-Scene Coordinator to the scene on Sunday morning. EPA is currently providing oversight while U.S. Ecology is taking the lead on clean up. We continue to evaluate how we can best support the response, in partnership with the state of Idaho, Owyhee County and Company responders."

Mark A. MacIntyre
